Organically Reaching the World with God's Love

We must always be pursuing healthy relationships within the church, but also fulfilling the Great Commission by seeking to make disciples of Jesus Christ from those we know outside of our Christian Community. Our primary call on this earth is to reach others with God's love and function as his ambassadors here on earth. We do this at Shoreline through Organic Outreach to naturally help as many people as possible become totally committed to Jesus Christ.

Indicators of Growth:

1. **Stewardship of Time** - the opportunities we have to live, serve, learn, and grow. In so doing, if we invest wisely, we will produce eternal treasures. If not, it will go to waste. ([Psalm 90:12](#))
2. **Selflessness** - altruistic giving of ourselves to others, as Christ gave Himself to us. ([Titus 2:14](#))
3. **Fearless** - facing down tough situations without being stupid. Being bold since God gives us strength as we reach out to those around us, even those who may be adverse to us. ([2 Timothy 1:7](#))
4. **Growing Heart** - a growing burden for those outside the church who need Christ in their lives. ([Matthew 5:14-16](#); [25:40](#))
5. **Preparation** - natural faith sharing will not just happen. We need to be prepared and equipped to share our story of faith and the good news of Jesus. This means we take time to prepare, practice and pray for opportunities to share the gospel. ([1 Peter 3:15](#); [Ephesians 4:11-12](#); [Acts 1:8](#))

Ideas for Action to Grow in Organic Outreach:

1. Spend time with people who are far from Jesus and pray for opportunities to share the love and message of Jesus with them.

2. Read the story of Jesus (Matthew, Mark, Luke, and John in the New Testament) and pay attention to how He loved people who were not religious and who were far from God. Write down 5 lessons you learn from Jesus and try to follow these.
3. Pray for and with people who don't yet have a relationship with Jesus.
4. Practice telling your story of how you became a Christian. Say it out loud and have someone listen and tell you how you can be clearer and more articulate.
5. Practice telling His story. Use the Gospel GOGO card we handed out at church. If you don't have one, pick one up at the Connection Center.
6. Start doing a 1-1-1 Prayer where you pray for one lost person at one o'clock each day for one minute. Ask God to draw this person to Himself and to give you boldness to share your faith. If you don't like doing this at 1:00 pm, you might want to try 9:00 am/pm and make it a 9-1-1 Prayer.
7. Ask spiritual questions of your non-believing friends. You might find some ideas on the Shoreline website and in the Organic Outreach book.
