

## Becoming A Lighthouse In 2021

---

Shoreline Kids Ministry wants to help you and your family in the coming year grow in your faith and love for those around you. Below you will find 7 ways to develop together as a family and grow to be more like Jesus. The ways you can start to be more like Jesus are opening your Bible and exploring, praying, and talking to God daily. Worshiping God and lifting Him in the right place, learning how to serve others, giving generously, being in a community of fellow believers, and reaching out to your friends and family and sharing Jesus with them!
